

Overdraft PrivilegeSM

We recognize that for a variety of reasons, customers occasionally overdraw their checking accounts. Rather than automatically returning unpaid any non-sufficient funds items, Nodaway Valley Bank will consider, without obligation on our part, payment of reasonable overdrafts on certain eligible** personal and household accounts under our Overdraft PrivilegeSM service. This discretionary courtesy is generally limited to an \$800 maximum overdraft on personal checking accounts. Normal overdraft fees will apply to any paid items.

** For additional information, please consult any personal banking representative or the Overdraft Privilege brochure.
